MEMBERSHIP DRIVE

As an incentive to recruit new members, we are offering the following:

If a current member recruits a new full year golfing member to join (the individual or their spouse must not have been a member in 2008 or 2009), the new member may deduct \$200 from the amount of the dues owed, or the sponsor may receive a \$200 refund. This is between the sponsor and the new member. (New student and new social members not applicable). New members must have the sponsor's signature and how the \$200 should be applied written on their application.

Please make checks payable to: Tri-City Country Club
